

# New and Noteworthy

By Jeff Simpson

## FEATURE-RICH GPS

The **Garmin Colorado 400i** is pre-loaded with a worldwide imagery basemap and thousands of U.S. inland lakes (including shoreline details, depth contours, boat ramps, and mile markers). The Rock 'n Roller input wheel allows for one-handed operation of the user-friendly screen interface. A highly sensitive WAAS-enabled GPS receiver locates quickly and maintains connection—even in remote locations. Other features include an electronic compass, SD card slot, wireless geocache, barometric altimeter, hunt-fish calendar, sun and moon information, and tide tables. Retail: \$599.

## SLEEK MULTI-TOOL

The **Skeletool** from **Leatherman** has a cutaway design and compact shape that reduces bulk and weight while still providing features fishermen want—needlenose and regular pliers, wire cutters, a bit driver with Phillips and standard screwdriver bits, bottle opener, and knife. Retail: \$72.

## WORLD'S FIRST INVISIBLE SINKERS

Proven effective on wary European carp, **Clear Weights** by **AVO Invents** of England are produced with synthetic material that's environmentally safe, too. Retail: \$3 to \$4 each, depending on size.

## ULTRA-REALISTIC CRANKS

**Live Target Lures** are modeled closely after prey like crayfish, golden shiners, yellow perch, and gizzard shad. Shape, color, scale patterns, and eyes match to a tee. Retail: \$11.99 to \$12.99.

## 4 IN 1 SAFETY STICK

The **4 in 1 Car Emergency Flashlight** combines a seatbelt cutter, powerful flashlight, hammer for breaking window glass, and a red flashing beacon with LED lights that's magnetic for sticking on a truck top or boat trailer to signal passing motorists. Retail: \$14.95.

### **SPIRAL LURE LINK**

The **Quickswirl** features a stainless-steel wire coil that's easy to loop through a lure line-tie for a secure connection. Retail: \$3.99 to \$4.99.

### **MARINE FORMULA FUEL STABILIZER**

To fight the damaging effects of ethanol in gasoline when used in marine environments, **STA-BIL Marine Formula** contains twice the corrosion preventer and more than four times the fuel system cleaner than regular STA-BIL. Retail: \$9.99 to \$24.99.

[sta-bil.com](http://sta-bil.com)

### **PACK COOLER**

The **Trackpack Cooler** has an internal plastic frame that can hold up to twenty 12-ounce cans and dispense them one at a time. Three hanging gel-packs help maintain ice-cold drinks all day long. Retail: \$39.95. ■
